Dear Parents / Carers

Uniform and Equipment

As the final half term of this academic year approaches, it is important that students continue to maintain expected high standards throughout the academy, including ensuring they all wear the correct uniform and bring basic equipment to school every day.

Towards this end, I would like to ask for your support in ensuring your child is equipped with his/her planner and basic items of stationery every day. Also, uniform must be worn correctly (shirts must be tucked in even during hot weather). As is outlined in the academy Behaviour for Learning Policy, students who fail to bring the correct equipment which includes the student planner, and/or who fail to wear academy uniform correctly will be issued with a central lunchtime detention. A copy of the Behaviour for Learning Policy is available on the academy website for your further information.

Thank you for your support – it is essential that high expectations are maintained and the importance of the student planner to aid students' organisational skills and also as a key link between home and school cannot be overstated.

Yours faithfully

Nicola Williams
