Dear Parent/Carer

Re: Delta Academies Trust Behaviour Policy

I am writing to inform you that The Vale Academy will be phasing in the Delta Academies Trust Behaviour Policy, starting with Year 9, from Monday 23 January. This policy was adopted by Governors at the Education Advisory Board meeting in December 2016 and has proved to be very successful in all the academies where it has already been implemented. The policy will be launched and implemented with other year groups over the coming weeks.

The Delta Academies Trust Behaviour Policy is available on our website (www.valeacademy.org.uk/policies). Year 9 students have had an assembly today to explain the changes to the policy. The aim of the policy is to totally eradicate any low level disruption and will have very little impact on the majority of students at the academy other than ensuring the outstanding, safe and effective learning environment at The Vale is maintained and enhanced.

If you have any questions about this, please do not hesitate to contact me.

Yours sincerely
