Dear Parents/ carers

Re: School Nursing Provision: Health and Wellbeing Plus Service

As you will be aware, we currently offer nurse drop in sessions to all students through the School Nursing Provision. I am writing to inform you that, with effect from Tuesday 26 September, the School Nursing Provision will also deliver a Health and Wellbeing Plus service in addition to the fortnightly drop in sessions.

As part of this service students can access a qualified nurse for sexual health advice and treatment. Students are assessed as to their level of understanding before advice is offered and safeguarding risks are considered at every contact. Students are also encouraged to speak to parents/carers if they access the service.

If you require any additional information or have further questions, please do not hesitate to contact the academy.

Yours faithfully
