Dear Parents/carers

Re: Information Evening, 02 November 6pm, for Y11 Parents/Carers: Examination Preparation

As you are aware, the new GCSE specifications have both an increased examination focus and an added level of challenge compared to the former legacy GCSEs. In order to ensure that parents are fully aware of the changes and what they actually mean for Y11 students, we would like to invite you to an information evening which will outline:-

- Changes in assessment (9-1 grading)
- The assessment and mock exam schedule for the coming academic year
- Revision/intervention opportunities available
- Techniques to support revision and examination preparation

The evening will be held on Thursday 02 November at 6pm in the main hall. Our first set of mock examinations in core subjects (English, Maths, Science) is scheduled for week beginning Monday 02 October. All students will be given a copy of the timetable during assembly on Friday 22 September, a copy is also on the academy website.

If you wish to attend the information evening, please complete and return the attached reply slip via your son's/daughter's tutor by Friday 20 October.

I do hope you can join us.

Yours faithfully

Mrs N Williams
Principal
