

CURRICULUM Overview

Issue Date: September 2017
Review Date: September 2018

Subject offer and student setting 2017-18

Key Stage 3

During Key Stage 3 (Years 7&8) all students study the same subjects as required by the National Curriculum, in addition to Religious Studies, Computing is studied as a discrete subject in both years.

Year 7 & 8

- Students are taught in sets for English, maths and science.
- Students are taught in banded mixed ability groups for the non-core subjects.
- Design & Technology continue to be taught in smaller, mixed ability, but banded, groups.

Subject	Year 7 Periods	Year 8 Periods	% KS3 Time

Social, Moral, Spiritual and Cultural Education

The curriculum contribute to students' behaviour and welfare including their physical, mental and personal well being, safety and spiritual, moral, social and cultural development through cross curricular themes within the curriculum. This is monitored through a curriculum audit and supplemented with a SMSC programme in tutor time 3 days per week.

In addition topics such as Sex and Relationship Education and aspects of Citizenship are provided for through drop down activities.

Post-16

- Students entering for advanced level study will normally study 3 A levels or equivalent in Year 12
- The minimum entry requirement for the advanced level course is 5 GCSE at grade 5/C or above.
- Individual subjects may specify a GCSE grade above 5/C as an entry requirement to a course.
- Private Study/Community Service/Work Placement completes a programme of study which exceeds the 540hrs guidelines for all students

Year 12 Advanced level programme

Activity	Year 12 Periods	% Time
4 AS level subjects	12	48
Private study/community service/work placement	12	48
PSHCE	1	4

Year 13 Advanced level programme

Activity	Year 12 Periods	% Time
3 A level subjects	12	48
Private study/community service	12	48
PSHCE	1	4
